Benefits of hiring a Niagara College Co-op student

NEW TALENT | STAFF COVERAGE | PEAK SEASON | SPECIAL PROJECTS

Niagara College prepares students from **25 diverse programs** to help your organization meet the need for well-trained employees.

Co-operative education provides students an opportunity to expand their academic knowledge and enhance their skill development through real world application while making a positive contribution to an organization.

We are pleased to offer you an opportunity to work with our qualified students, while you evaluate and augment their skill development.

In return they will offer you their talents, enthusiasm and innovative ideas.

Allow Niagara College Career Services to assist you with recruiting these students who are eager to learn and contribute to the success of your business.
