

Honours Bachelor of Business Administration–International Commerce and Global Development

Benefits of hiring a Niagara College Co-op student

NEW TALENT | STAFF COVERAGE | PEAK SEASON | SPECIAL PROJECTS

Four-year business degree program focused on the strategies and application of international trade and globalization.

Student Competencies:

- › Understand the disciplinary theories and principles of international business, including international legal frameworks, logistics, finance, human resources and the various cultural contexts
- › Understand issues and trends in the development of the global community in both economic and historical contexts, especially the environment and the mechanisms of sustainability
- › Apply business principles to advance the objective of profitable sustainable development
- › Research, analyze, interpret and apply data from a variety of sources to support business decisions
- › Conduct business in compliance with Canadian and international laws and local legislation and policies
- › Utilize both domestic and foreign trade facilitation and risk reduction programs as tools of business development and global expansion
- › Develop proposals for international business and development projects
- › Anticipate typical problems that characterize international business and development operations, prepare contingency plans and prepare tactical and strategic solutions

Our students have enhanced organizations in these areas:

- › Banking
- › Business Development
- › Customs Brokerage
- › Data Analysis
